

Description

MGC's BB-400 Series back boxes are designed for indoor surface mount applications. Available in red and white models, the BB-400 Series back boxes are compatible with MGC's 400 Series LED Notification Appliances. The durable plastic back boxes come with conduit entries on all sides as well as a knock-out at the back.

Features

- Designed for indoor surface mount applications
- Compatible with MGC 400 Series LED Notification Appliances
- Red and white models

Dimensions

Mounting

1 Attach the mounting plate to the mounting box with the 4 screws.

2 Snap the unit on to the mounting plate.

3 Secure the unit with the #4-40 x 3/8" screw and snap the nameplate over the screw.
