Rated for Outdoor Environment Wet Location

-40 °C to +66 °C (-40 F to 151 F)

**Figure 1 Bottom view**

**Figure 2 ENCL-SPPS-WP side view**

**Figure 3 ENCL-400-WP side view**

**Figure 4 Top view without cover**

**Apply outdoor-rated weatherproof silicone to the 2 mounting holes and around the conduit connectors.**

## Mounting

Mount ENCL-400-WP directly on the wall or ceiling depending on the model of horn, strobe or horn/strobe. When mounting on the wall, mount the enclosure with the word TOP at the top, and mount the device with the MGC nameplate at the top. For more information, see LT-6511 400-WP Series Weather Protected Notification Appliances.

**Figure 5 Mount the horn, strobe, and horn/strobe in ENCL-400-WP**

Mount ENCL-SPPS-WP directly on the wall or ceiling depending on the model of speaker or speaker/strobe. When mounting on the wall, mount the enclosure with the word TOP at the top, and mount the device with the MGC nameplate at the bottom.

**Note:** Select the candela setting prior to installing the device in the mounting plate.

**Figure 6 Mount the speaker and speaker/strobe in enclosure**
